Help protect your lifestyle with these products Roger Williams University offers:

Accident

Accidents happen. When a covered accident happens to you, our accident insurance policy pays you cash benefits for the unexpected medical and everyday expenses that begin to add up almost immediately.

Vision

Don't take your vision for granted. An Aflac vision insurance policy can help with the costs of vision treatment.

Cancer/Specified-Disease

Aflac's cancer/specified-disease insurance policy can help you and your family better cope financially if a positive diagnosis of cancer ever occurs.
